

# VIRTUAL ANSA PROTOCOL AND TRAINING DAY

Ever wondered 'how can I make my workouts better?' or 'what is the Judge really looking for?'. Maybe you just want to try something you have never done before like a Working or a Hunter Workout.....?

- This is an exciting initiative of ANSA to enable members to engage with some of our highly qualified judges to gain constructive instructional and positive advice on how to improve their performances in the ANSA Show Ring.
- A special Facebook page will be created from which to download workouts to be demonstrated.
- All links to performances will be posted to the Facebook page upon completion of 'competition' and Judges will be sent all links to their sections for assessment.
- Placings will be announced but entrants will receive feedback from the Judges via email from the Association. This information will NOT be shared online.
- **SECOND CHANCE:** Entrants will have the opportunity to 'have another go' and having taken onboard advice from Judges may choose to send new performances for a before and after comparison by the Judge of the that class. Those second performances will NOT be shared online and are JUST for the competitor.
