

2023 ANSA High Point

HIGH POINT SCORES

Members submitting sheets are advised that checks will be made throughout the year to the organising committee. If points are found to be incorrect all points submitted will not be counted and you will be reported to Management Council for an explanation. To those members who have forwarded sheets, we do appreciate it, as this makes it possible for progressive scores to be included in each magazine. **Points as at 30/11/23**
